PREPARATION OF DRAFT

Southeastern Geology welcomes unsolicited submissions from all fields of geology. Please follow these simple manuscript preparation guidelines. Submit the manuscript via the Scholastica link on the journal website Authors page.

1. Prepare the manuscript in Microsoft Word or another commonly available word processor that allows reviewing with tracking of changes/comments.
2. Double spaced, 12-point, New Times Roman, Arial or similar font, 1-inch margins.
3. Submit figures and tables as separate documents.
4. Include the names and contact information of at least 3 suggested reviewers.
